EL206: Academic Prior Learning Portfolio

In this course, you will develop an academic prior learning portfolio that describes, organizes, and categorizes the college-level learning you have acquired through work, volunteer activities, and life experiences. You will explore what you already know, what you already have college credit for, your personal and professional goals, and how all of these pieces fit together into an academic prior learning portfolio. With the assistance of your instructor and your peers, you will create a portfolio that collects previously credited learning (college transcripts, standardized exams, pre-evaluated learning, etc.) as well as descriptive information about learning you have acquired outside the classroom. When complete, you may submit your prior learning portfolio for evaluation to determine if you are eligible for college credit for your learning and skills. This course will be graded pass/fail.

Quarter Credit Hours: 6 | Prerequisite: Previous success in one or more college course(s)
